

Thank you for using our API. By accessing or using Tracker Network's APIs, other developer services, and associated software (collectively, "APIs") you are agreeing to the terms below and the Privacy Policy, in the case of overlap between the two documents the API Terms of Use control.

Limitation of Liability for API Use

You agree that Tracker Network is not liable for any direct, indirect, incidental, special, consequential or exemplary damages, including but not limited to damages for loss of profits, goodwill, use, data or other intangible losses, resulting from your use of the API or third-party products that access data via the API.

Our APIs contain some third party content. This content is the sole responsibility of the person or company that makes it available. Content accessible through our APIs may be subject to intellectual property rights, and, if so, you may not use it unless you are licensed to do so by the owner of that content or are otherwise permitted by law.

API Limitations

Tracker Network sets and enforces limits on your use of the APIs (e.g. limiting the number of API requests that you may make or the number of users you may serve), in our sole discretion. You agree to, and will not attempt to circumvent, such limitations documented with each API. If you would like to use any API beyonds these limits, you must obtain Tracker Network's express consent (and Tracker Network may decline such request or condition acceptance on your agreement to additional terms and/or charges for that use). To seek such approval, contact support@tracker.network.

You should provide a link back to our website, preferably a link closely related to the resource you are using (e.g. a link to a users profile).

API Prohibitions

When using the APIs, you may not (or allow those acting on your behalf to):

1. Use multiple API keys.
2. Lock additional features that use the API behind a paywall.
3. Sublicense an API for use by a third party. Consequently, you will not create an API Client that functions substantially the same as the APIs and offer if for use by third parties.
4. Perform an action with the intent of introducing to Tracker Network's products and services any viruses, worms, defects, Trojan horses, malware, or any items of a destructive nature.
5. Defame, abuse, harass, stalk, or threaten others.
6. Interfere with or disrupt the APIs or the servers or networks providing the APIs.

To make sure you uphold these limitations we keep access logs of our API.

Uptime & Availability

We do not guarantee 100% uptime. The API may be offline temporarily or permanently because of issues with third-party data providers, maintenance, or other events.

Do Not Compete With Our Services

You will not directly compete with the products provided by Tracker Network unless given express consent from Tracker Network. To seek such approval, contact support@tracker.network.

Tracker Network May Terminate Your Use of the API

We reserve the right at any time to modify or discontinue, temporarily or permanently, your access to the API or any part of it with or without notice.
