The 2026 Safeguarding Leadership Training builds on the previous leadership training, although you don't need to have completed that. The learning outcomes are linked to the National Safeguarding Standards. This pathway offers the opportunity for the following outcomes to be achieved:

- **Culture Leadership and Capacity - Examine** how, as leaders and influencers within Christian communities, we can shape healthy culture, and effective leadership, resulting in best safeguarding practice.
- **Prevention - Explore** how safeguarding concerns and abuse can be prevented and how character, charisma, and influence can shape the experiences of others in church.
- **Assess and Manage Risk - Recognise** when risk-assessment and risk-management processes are needed and understand when, why, and how they must be used.
- **Victims and Survivors - Reflect** on how abuse and trauma can affect people's lives, relationships, and interactions with others in a community setting, leading to better responses to victims and survivors; and
- **Learning, Supervision and Support - Assess and apply** learning and use it to develop an individual action plan that will improve safeguarding practice and responses.

The course does not include as much writing as the previous version although the structure remains:

- Pre-course session work (approximately 1 hour for session 1 and $\frac{3}{4}$ an hour to $1\frac{1}{4}$ hours for session 2)
- 2 small group sessions, usually on Zoom, and approximately 105 minutes each, usually 1 or 2 weeks apart
- Post course work, approximately 1-1 $\frac{1}{2}$ hours responding to the questions below and creating an action plan to implement new and observable leadership behaviours which deliver concrete safeguarding outcomes and demonstrate that safeguarding is increasingly intuitive and at the heart of everything you do.

What role do I play as a leader in my context in enhancing the safeguarding culture?
 How has learning from this pathway impacted on how you see your role as a leader?
 (approximately 1 hour)

A dedicated course workbook is sent, usually on booking, including the course code, all dates and deadlines and Zoom link where relevant.

- Training dates are released throughout the year, **if you need to join a course and the pre-course submission deadline is soon then please ask and if possible we will do our best to be flexible** so that you can begin your training as soon as possible.
- Zoom can be used on a range of devices, including chromebooks. If you're unfamiliar with it you can find helpful information here: [Zoom Meetings Support](#)
- We have found that even when people are nervous about the training they have been able to complete it, with support and encouragement as needed. If you have any concerns about the training, including because of your life experiences, then please contact Louise Warner Louise.Warner@LeicesterCofE.org or 07729628319/ 0116 2615383 to work out the best way to proceed.
