

Yearbook Senior Portrait Information

August 25, 2025

Dear Parents/Caregivers of Pembroke High School Class of 2026:

This summer your student should have had his/her senior portrait taken for the yearbook and if not it should be taken soon. Our goal is to have every senior's portrait featured in the yearbook; however, we have a few requirements that ensure that we have a unified and sophisticated appearance for our book. Please adhere to the following guidelines, or your child's photo may not appear in the senior portraits section of the yearbook. These guidelines were discussed with your child at an assembly on Monday, June 2nd, 2025:

- 1) Pictures should be in color and can include appropriate "props" such as a family pet, a football, a musical instrument, etc.
- 2) Students must wear appropriate semi-formal attire.
Examples are as follows: a dress shirt and tie, a polo shirt with a collar, dress pants, blouse, dress or skirt.
- 3) **The following will not be accepted: tank tops, undergarments, ripped jeans, logos or writing, sweatshirts, or anything too revealing or casual.**
- 4) Photo Specs: 4x6, 300dpi, jpg file.
- 5) To submit senior pictures: upload them to <https://photos.iostens.com/4Q46DD> from any browser. – **Revised Link.**
- 6) Book with Legacy here: <https://seniors.legacystudios.com/pembroke-hs-ma/>
Their one remaining booking date is (/26

Legacy is our chosen photographer for Pembroke High School. Legacy has been in the photography business for many years and charges as low as \$25 for a photo session. Legacy will send out a letter with pricing and instructions to schedule picture sessions during the summer. All senior photos need to be taken during the summer. Legacy will be at both the Herring Run and at Rexhame Beach in June, July & August.

Postponing photos may put you at risk of not having your senior photo included in the senior section. You can choose to have your child's senior portrait taken by another photographer. However, if you do, please make sure the above guidelines are followed. If you choose a photographer other than Legacy, the deadline to turn in senior photos is **September 26, 2025**.

If you have any questions, please feel free to e-mail us during the summer or at any time during the school year at the addresses below.

Thank you,
