

CASH

We absolutely do not take any bills above \$20.00

\$20.00 bills may be taken at the discretion of the circulation desk as long as providing change for the bill does not deplete the number of smaller bills needed to make change for other patrons.

CHECKS

The library does not accept checks EXCEPT for financial donations.

CREDIT/DEBIT CARDS

The library does not accept credit/debit cards. This is largely due to the fact that the State of Mississippi prohibits the use of public funds for payment of credit/debit card transactions. In order to accept credit/debit cards, the library would have to charge patrons an additional fee of around \$2.00 per transaction.
