- Are you concerned about your child's development?
- Do you suspect that your child may have an educational disability?
- Where do you get information?
- How can we help your child?

The CHILDFIND Clinic...

screens for possible educational disabilities. These can include speech, vision, hearing, motor ability or learning disabilities. The screening is administered by staff members of the Merrimack Valley School District.

ELIGIBILITY

1. Child must live within the towns of the Merrimack Valley/Andover School Districts
2. Parent or legal guardian must accompany child
3. All children through 5 years of age are eligible
4. Infants and toddlers are included
Parents with concerns about older children should contact their local elementary school.

CONTACT: Special Education Department @ 753-4891 to schedule an appointment for your child.
