

Here's the ad I used to do my fascinations -

[https://drive.google.com/file/d/1rw2pfxZM\\_GHtxXPEAfsb4OILI1FEzLvx/view?usp=sharing](https://drive.google.com/file/d/1rw2pfxZM_GHtxXPEAfsb4OILI1FEzLvx/view?usp=sharing)

1. Revealing the truth behind Hitlers usage of Volkswagens in the wars, winters.
2. The genius piece of mechanical engineering that has set Volkswagen 10 years ahead of their competition in the reliability department!
3. The real reason my boss just placed a £10k deposit on a VW Transporter! (this ones actually true so really like this one lol)
4. Better than typical car manufacturers, find out why this car bran has been crowned #1 in cold weather reliability!
5. Volkswagen have just inadvertently saved their customers thousands in repairs this winter!
6. If you're happy losing out on money and time repairing your car, this article is probably not for you!
7. Make sure you have the right vehicle to get your kids to school this winter, reports show -3c is the "hottest" we'll have!
8. Car manufacturers such as Mercedes have attempted to steal this secret from Volkswagen for a long time, Volkswagen are planning to take legal action!
9. This German car brand has been taking the market by storm ever since this reliability trick was discovered
10. Since the end of the second world war, car manufacturers have been scrambling to figure out why the Nazi party chose to use Volkswagens, we finally have an answer!
