

Hannah Randolph Memorial Fund

Application for 2026 Scholarship

This scholarship is for 9th grade students, in memory of Hannah Randolph. The scholarships are awarded by the Hannah Randolph Memorial Fund to encourage and support those qualities that Hannah exhibited in her own life.

In February of 2012, Hannah Randolph was a 9th grader at Wellesley High School. During winter break she died unexpectedly in a skiing accident. Hannah had touched the lives of many of her classmates. She is remembered as a teenager who cared deeply about others, reached out to peers who were on the fringes of social circles, had a quiet, warm sense of humor, and the ability to be silly, just for the fun of it. She is remembered also for her dedication and hard work in her pursuit and love of music, athletics, and academics. Her ultimate objective was not necessarily to win, but rather to be the best she was capable of, while supporting her peers, whether they be friends or people she had just come to know.

The scholarship is a grant to support an activity or project selected by the recipient and approved by the Fund's Board. The scholarships could potentially be used for clinics, camps, or summer programs in the areas of sports, academics, or music. An award could also be used as a stipend for a student choosing to serve as a community service volunteer, either locally or outside of Wellesley.

Once a scholarship is awarded, the recipient determines the activity or project for which they would like to use the scholarship money. Upon approval by the Board of the Hannah Randolph Fund, the scholarship monies will be dispersed.

This scholarship is focused on looking beyond an individual's achievements and talents in order to recognize students who exhibit the qualities that are most valuable to communities. Those characteristics are caring, empathy, a willingness to work hard, the courage to reach out to others, and a passion for their interests in life.
