

Travelling

People like travelling . There are different kinds of holidays. Beach holidays are when travellers spend time on a beach, sunbathing or doing water sports. Camping is a very popular kind of holidays. People go to a campsite and set up a tent there. Cruise is a holiday on a large ship on the sea or a journey by boat for pleasure on rivers or lakes. Activity holidays offer different activities like windsurfing, horse-riding, mountain skiing or driving a quad bike. People get new emotions when do different sports. All kinds of holidays are interesting and exciting. You can get fun doing scuba diving, sailing, water skiing or windsurfing if you are in hot countries. It will be exciting to do mountain biking, climbing or skiing on different resorts. You can also go trekking, hiking or fishing and enjoy yourself too. **In conclusion, I can say that lots of activities make your holidays unforgettable.** Holidays are very pleasant things but people can face some problems when travelling. **Firstly**, you can be late for the flight or train and miss it. It'll be a real trouble to buy new tickets on another flight. **Secondly**, somebody can steal your money, passport or luggage. You have to ask for police to help you because you will have problems with money. **Finally**, you can have health problems when you got food poisoning you or got badly sunburnt after long hours under the sun, or got a cold because of the weather. You'll need special medical help. *So, you see that some troubles can spoil your rest. Hope to have wonderful holidays but be ready for all kinds of holidays.*
