** We recognize that some CREWS Convening attendees will need to step away to attend One Water Summit events happening concurrent to our Tuesday program. For those of you who do have a choice, please consider staying on with us for Tuesday to reflect, identify, and discuss priority next steps together. For those of you who must step away, please let Kate and Minna know so we can ensure a way to gather your feedback and priority action items.

*** This is a CREWS-only replica of the City of Tucson Storm-to-Shade site visit listed in the One Water Summit agenda. The CREWS-only site visit we've arranged assumes all CREWS Convening registrants are on the bus, so no extra sign-up is needed. :)
