

May 17th

Dear Year 3 Parents,

Thank you for your support last week and helping facilitate the assessment meetings. It was very helpful for our documentation and a lovely opportunity to catch up with the children one-to-one.

This week is a short school week with Thursday and Friday being Public Holidays. If you are looking for learning to occupy your child during these days off, we encourage any previous learning to be completed and caught up with. There is also an opportunity for extra learning on Studyladder, Epic and Lalilo. Alternatively, you can offer your child to join one of the [Project Inspire Clubs](#) to join at any time, please just sign them up [here](#) for our records.

Things to note this week:

- 1) Inquiry lessons will now be daily at 1pm, **not 1:30pm**
- 2) Thursday and Friday there is no school, therefore no virtual lessons.
- 3) Please find all necessary documents on [CCS Primary Launchpad](#) and in the [Information](#) Folder.
- 4) 3P- Please see your time for reading with Miss Sari [here](#). There will be no reading with Miss Sari on Thursday or Friday.

Reminders:

- All tasks should be completed, but **only ones in red** need to be saved in the Virtual Learning Folder for assessment purposes.
- Please be mindful of sound and visibility in the background of meetings, as loud noise can be disruptive to the lessons.

Kind Regards,
Ms Truchi & Ms Paterson
