

This is a short substitute until an actual, neat ToS is written lol

DEFAULT IGNI TOS

1. All igni designs must be owned by a user with a CS profile.
2. Igni designs can be resold for any currency, real or virtual (except NFTs).
 - a. Please do not make the resale price lower than 5 USD unless the igni was originally sold for less.
 - b. Creating MYOs for the sole purpose of selling them is forbidden, as it is considered disrespectful to the species staff.
3. Igni designs can be revamped and redesigned according to appropriate guidelines.
4. Any association of ignis with NFT is strictly forbidden.
 - a. Not that it's *suspected* to ever be a problem, but it's better to have your butt covered. ~_(\ツ)_/~
