

Privacy Policy for Google Custom Search Extension

This extension does not collect, store, or share any personal data. All searches are conducted directly through Google using the user's input and are not routed through any intermediary servers.

Key Points:

1. The extension solely uses the provided search terms to construct a URL for Google search.
2. No data is stored locally or transmitted to any third-party servers.
3. The extension does not require or utilize any personal information from the user.

By using this extension, you acknowledge and agree that:

- No personal data will be collected or used by this extension.
- All data interactions are strictly between your browser and Google.

If you have any questions or concerns about this privacy policy, please contact the developer.

Thank you for using the Google Custom Search Extension!
