More About Feb 26 and the Five Watershed Guardians

The February Blues Buster is approaching, 4 – 5:30 pm Thursday February 26 at St James Anglican Church, 6025 Old Church Road in Caledon East, just east of Airport Road.

**We will discuss the health the Credit and Humber watersheds and present five Watershed Guardians Awards.**

The Award recipients are described in this FABULOUS, extensive article in The Pointer, at [Five heroes celebrated for defending nature against unchecked development in Caledon | The Pointer](#)

All are welcome, but registration is required so we have enough coffee and nibbles for everyone. Please register via [andrew@ontarioheadwaters.ca](mailto:andrew@ontarioheadwaters.ca).

Finally, non-perishable donations to the church's food bank will be greatly appreciated.

Hope to see you there,

**Andrew McCammon**
