

THE MAN I SWORE TO BE

Shh.

I've got this feelin'
I've yet to shake
And I don't know how much more
Of this feeling I can take before I

Chip Chip Chip
Like an old decaying paint
It's always present, even if at times, it's
faint

I'm Slowly growin' ever lonely
And worst of all the only
Perp at fault is ME Me me
Seems I'm not the man I swore to be
**AND YOU'RE NOT THE MAN-
YOU'RE NOT THE DAMNED I WANNA
SEE-**

My cursed reflection in the mirror..
And under the weight of my imperfections
I can hear her
Desperately trying to guide me the right
direction
But I fear
There's a crack in the glass
And it's made things unclear for me

**YOU'RE NOT THE VOICE I NEED HEAR
GRANT ME THE COURAGE TO VOICE MY
NEEDS HERE
SO MY VOICE MIGHT REACH EARS
THAT AREN'T DEAF TO MY CRIES
Let me hear it just..
one More TIME--**

say you're proud of me
say you're proud of me
say it loud enough
to scare the thoughts surrounding me
Blow away my doubts

Because I know that you were counting on
me...
to keep you close..

say you're proud of me
say you're proud of me
Say it loud enough
to tear the heartbeat, pounding out my
chest
or grab me by the neck
unraveling my head til I join you in..
Death.

I beg you to forgive..

It's YOU who should have lived..

You knew I couldn't dare..

Move forward, for I'm scared
I'm too afraid... to run if you're not there..

It's hard to bear this weight... that's-

OUR'S TO SHARE.
Tch.

I'VE GOT THIS FEELIN'
I'VE YET TO SHAKE
AND I DON'T KNOW HOW MUCH MORE
OF THIS FEELING I CAN TAKE
SO I'LL CHIP CHIP CHIP
AT MY HEART UNTIL IT BREAKS...
AND I'LL REBUILD
IF NOT FOR ME, THEN IT'LL BE FOR HER
SAKE
SO EVEN IF IT'S FAKE
I'LL PAVE AWAY THE PAIN
AND THAT'S A GUARANTEE~~~

I loved you so....

And still let go...

It's cause I know that you'll spring back
from this..

You're more than fit...
Move forward though you're scared

You've been so brave alone.. This
weight's...

OUR'S TO SHARE.
Herself Pibby Glitches Out

**So stay awake for simply long enough to
see...**

**Me walk the way.. you gave your all to
leave for me.**

...

**So stay awake for simply long enough to
see..**

I'll walk your way

Until I'm strong enough to be

Strong enough for me
