

REFERRAL SMART PHRASES

As of August 2023, we will use Staff Messages with SmartPhrases to convey requests for referrals to the providers and resources below.

To use SmartPhrases, search under Stuart in the SmartPhrase Manager and add to your own list.

Please follow the guidelines in the chart below.

To make a referral for...	Send staff message with link to patient chart to: #	Subject of staff message	SmartPhrase to use
OT, PT Speech§	Stuart**	OT PT, or Speech referral	GPCHCOTPTSPEECH
ABA*	Stuart**	ABA referral	GPCHCABA
Early Start*	Stuart**	Early Start referral	GPCHCEARLYSTART
GPCHC DBP	Stuart**	DBP referral	GPCHCDBP
GPCHC Social Work	Maria Gonzalez Tania Rodriguez	Social work consult	None needed
School support troubleshooting*^	Suleman, Padrez	School Troubleshooting	GPCHCSCHOOL

* Please have family sign an Authorization for Communication form when referring for ABA, Early Start, or school support/assessment

Residents, please cc the attending you worked with when sending a staff message

§ For speech delay, refer primarily to Audiology/Early Start or School district, depending on age

^ See PPC website for information on how to connect families to schools. Refer to the Troubleshooting team if families run into obstacles.

**See [How to Make Referrals](#) for what to do when Dr. Stuart is out and not managing referrals
