

PRIVACY POLICY FOR Sunsets

Last updated: 22 July 2025

Sunsets is developed and operated by the developer (“we,” “us,” “our”). We respect your privacy and are committed to protecting the information you choose to share with us. This policy explains what data the App collects, how it is used, and your choices.

1. INFORMATION WE COLLECT

- Approximate location (latitude & longitude) – used to calculate sunrise/sunset times. Stored only on your device (UserDefaults). Never shared.
- Notification preference (on/off) – used to know whether to schedule the daily reminder. Stored only on your device. Never shared.
- Analytics – none. The App contains no analytics or advertising SDKs.

2. HOW WE USE YOUR INFORMATION

- Calculate solar times locally on your device.
- Schedule a single local notification at sunset if you enable alerts.
- We do not receive, track, profile, or transmit your data anywhere.

3. DATA STORAGE & SECURITY

All data remains inside the App sandbox on your iPhone and is never transmitted to any server. Deleting the App immediately erases all stored data.

4. YOUR CHOICES

- Location permission can be changed at Settings › Privacy & Security › Location Services.
- Notifications can be enabled or disabled in Settings › Notifications › Sunsets or inside the “Alerts” tab.
- Delete data by uninstalling the App.

5. CHILDREN’S PRIVACY

The App is not directed to children under 13 and does not knowingly collect personal data from them.

6. CHANGES TO THIS POLICY

We may update this Policy from time to time. Significant changes will be announced in the App’s About screen and on our website.
