To ensure pick-up, put trash, recycle or yard waste out by **6:00 am** on trash day; no earlier than 5 pm the night before. MHHA asks you to retrieve trash cans by 5 pm on trash day and that you retrieve trash bags/cans that weren't picked-up until the next trash day. Please pick up strewn trash litter in your area.

The county has until 8 pm to pick up Refuse or Recycle or Yard Waste on any route (regardless of your normal trash pick-up time). So they do not consider it a pick-up failure until after 8 pm. They generally will NOT come the next day to pick up trash that wasn't picked up on scheduled trash days. They MAY send an inspector, who will leave a brochure and a reminder to have trash out by **6:00 am** (the earliest possible pick-up time on all routes).
