

[[The camera opens up to Carlos Rosso at the gym with Chaz O'Connors. Carlos has just finished a deadlift set as Chaz is jabbing a punching bag.]]

Carlos Rosso: When we're finished with Bob, I'm going on the hunt.

Chaz O'Connors: The Hunt? The fuck does that mean?

Carlos Rosso: Without Nas and Aren's heads, Oasis will probably be pissed next time he sees us. I'm not gonna let those puny punks get away with disrespecting us!

Chaz O'Connors: That isn't even necessary right now... As long as they never show their faces again, Oasis wins regardless. He'd have no reason to be mad.

Carlos Rosso: I refuse.

Chaz O'Connors: But why?

Carlos Rosso: I don't want a reason to be pissed either.

Chaz O'Connors: Goddamnit...

[[The camera pans to Jasmine Peyton sitting in a chair in a dim lit room. On the other side of the room as Bob Taylor, tied to a chair.]]

Bob Taylor: Scott Oasis...he truly is a moron, Miss Jasmine. It was his golden opportunity.If only he had followed MY orders and gotten rid of Nasir MY WAY. Things wouldn't have ended up the way they did. I was maintaining order. Order over the monsters of this business. You shouldn't have stabbed me in the back. I'm sure you people will regret this decision.

Jasmine Peyton: Please just shut the hell up.

Bob Taylor: What?!

Jasmine Peyton: There are no ifs about it. The OWA Board of Directors made their decision and it's final! The way you were acting, this outcome was the only true way. Oasis may not have beaten Nasir at Final Destination, but you did YOURSELF in. Period!

Bob Taylor HAHAAHAHAHA!!!! How can I possibly debate with you?! HAHAAHAHA!!

Jasmine Peyton: Alright then Mr. Smartass. What do you believe will happen to our industry now?

Bob Taylor: Allow me to answer your question with a question. What do you think the now unchecked monsters who lost their structure I strictly enforced will do now? If you thought things were wild before, without me in place things are only going to become more destructive! Everyone will be battling for one thing. The real question being, Is there anyone who is at the top of the ladder in ALL of Pro Wrestling now?

[[Jasmine simply stares at Bob as graphics begin to appear on screen one after another as Bob elaborates on his question more.]]

Bob Taylor: Who will rule over everything now? Is it one of the four almighty influencers over OWA?

[[A graphic appears displaying Nasir Moore, Scott Oasis, Stephanie Matsuda, and Aria Jaxon.]]

Bob Taylor: Or will it be another dangerous member from their era who holds some sort of powerful status in OWA?

[[The next graphic shows off Aren Mstislav, Tarah Nova, Kenny Drake, Keelan Callihan, Finnegan Wakefield, Carson Ramsay, and Nathan Fiora.]]

Bob Taylor: Perhaps it could be one of those damn New Era Brats!

[[Afterwards a graphic appears displaying Havoc, Jeff X, Nate Cage, Gareth Cason, Bull Connors, Reginald Dampshaw III, Arata Asakura, Maverick, Udy, Jacob Knight, and Alyssa Grace.]]

Bob Taylor: No...this is even bigger than just OWA now. Many of the powerful members of our Neighbor Federations can smell the blood in the water. Strong Style Wrestling for instance possesses some of the most formidable wrestlers on this planet!

[[Now the screen has images of Stark, Noah Reigner, Darkane, and Kai Stevens.]]

Bob Taylor: And let's not leave out the fast rising Wrestle World, who some of the greatest performers of ALL TIME now call home!

[[Finally the screen shows shots of Claudia Michaels, Drake Jaeger, Tiberius Jones, and The Professional. The camera returns to Bob Taylor who's eyes grow wide before beginning to stretch the ropes tied around his hands and feet.]]

Bob Taylor: It never had to come to this! The only reason why this is even an issue is because of the actions of YOU ALL! YOU SET OFF A CHAIN REACTION THAT CANNOT BE STOPPED! IT'S NO LONGER A MATTER OF IF, BUT SIMPLY WHEN!

[[Bob Taylor now begins stomping on the floor and kicking the walls like a maniac. Security, led by Judas, rushes in as Jasmine puts her hand up, telling them to stop. She clearly shows no sign of fear for Bob in this moment.]]

Bob Taylor: WHO'S GOING TO SIDE WITH WHO?! WHO IS GOING TO BETRAY WHO?! TELL THE BOARD OF DIRECTORS HIDING IN THE OWA HEADQUARTERS...

[[The screen pans over a wide shot of OWA Headquarters, located in Philadelphia, Pennsylvania.]]

Bob Taylor:...THAT THEY'RE DOMINION WILL NOT SURVIVE THIS BATTLE NO MATTER WHO WINS THIS WAR!

[[The screen displays an image of Brian Daniels reopening up SSW in 2018 following the initial Exodus from EAW.]]

Bob Taylor: It's been two long years now since Brian Daniels initiated the EAW Exodus, birthing federations like the Omega Wrestling Alliance, Strong Style Wrestling, and Wrestle World. Effectively being the catalyst for this entire generation's existence and everything you see today!

[[The Next image displays Jacob Senn's times as OWA Omega Heavyweight Champion and SSW Puroresu Heavyweight Champion.]]

Bob Taylor: His partner in crime, Jacob Senn, did not claim Brian's spot definitively as the leader of this industry. He simply stood in front of the Throne in an effort to ensure only the right person would sit upon it!

[[The camera transitions back to Bob Taylor lying on the ground spasming like a mad man.]]

Bob Taylor: BUT WHAT ABOUT NOW?! THE NUMBER OF EGOTISTICAL, POWER HUNGRY WRESTLERS IS GROWING LIKE CRAZY! AND THERE'S NOW ONE SEAT THAT'S TOTALLY EMPTY! YOU KNOW WHAT I MEAN, DON'T YOU?! IT WILL START VERY SOON! THE BIGGEST ALL OUT BATTLE IN PROFESSIONAL WRESTLING HISTORY EVER WILL HAPPEN! SOON ENOUGH THIS WORLD WILL WITNESS...THE THRONE WARS!
