Quick Guide to Canvas for Students

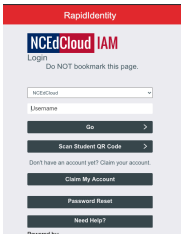

1. To access Canvas, go to the school website and click on the NCEdCloud icon.

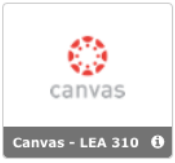

2. Then select the yellow NCEdCloud icon.

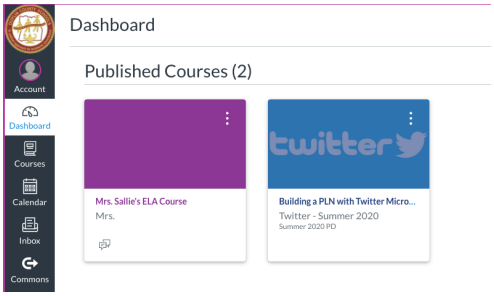

3. You will be prompted to enter your username and password for NCEdCloud.

4. Once you login you will click on the Canvas icon.

5. This will take you into your Canvas dashboard where you will see all of your courses.

6. You can also view all of your courses by clicking on Courses in the menu on the left.
7. Once you click on the course, you will be able to view the course content.
8. A menu will appear for you to view Announcements, Assignments, Grades, Modules, etc.
