

Spring Valley High School Parking Agreement
Year: 2022-2023

I agree to abide by the following traffic and parking regulations:

1. Parking is restricted to a vehicle(s) that are registered to you or your parent / guardian. You may not allow a parking tag to be used by anyone else. Temporary exceptions to this regulation are to be cleared in advance with Steven Jackson in C-148 or an administrator.
2. A current SV parking tag must be purchased and the tag must be hung under the rear view mirror or displayed on the driver's side of the dash with the number facing the front. **The cost of your parking space is \$12.50.** All debts must be paid before a parking tag will be issued or a space is assigned.
3. A lost or stolen tag must be reported and a new tag must be purchased. New tags can be purchased for \$10.
4. Students must supply a valid driver's license, and proof of the completion of the Alive @25 course before a SV parking tag will be issued. We will allow an exception to the Alive @ 25 course at the start of the school to students who have transferred from out of the district and who have not had a chance to complete the course and to those students who have enrolled in the course and plan to complete it within the first two weeks of school. These students will be issued a temporary parking permit as soon as they show proof that they have signed up for The Alive @ 25 class, and they will have two weeks to complete the course. You can register for the Alive @ 25 course at scalive@25.com or call 732-6778.
5. There is a limited number of senior reserved parking spaces in the Atrium and Tennis lots and they will be assigned randomly before the start of school. Only those senior students who have met all of the requirements for parking will be issued a reserved space and they will enter at Gate 1 at the traffic light. Seniors who were not assigned a reserved space and all underclassmen will be assigned to parking in the Upper Lot and will enter at Gate 3. Parking in the Upper Lot is on a first come, first serve basis.
6. Students are not allowed to enter or exit campus at the back gate (Gate 4), the Gym lot (Gate 2) or park in the other reserved parking areas on campus. Students may exit and turn left or right at the upper lot at Gate 3 or may make a "right turn only" at the gate next to the Fire Station.
7. If someone is parked in your reserved space, park your car at the curb heading out of the Atrium lot and report the offense to the Atrium desk so security can address the offender.
8. Sound Systems are to be turned off while the vehicle is on campus.
9. No loitering in vehicles or parking lots. Park, lock and move to the building area.
10. Seniors or 2nd semester juniors with off campus privileges leaving campus at lunch must be wearing a valid ID. Temporary ID's do not qualify.
11. Parking privileges may be suspended or lost for reasons **including but not limited** to the following:
 - Speeding or reckless driving. The speed limit on campus is 10 mph or less.
 - Transporting students who do not have off campus privileges during the day.
 - Multiple parking offenses.
 - Allowing someone else to use your assigned parking tag.
 - Failure to report any damage to another vehicle. ("Hit & Run"). Contact the School Resource Officer (SRO) immediately if an accident has occurred.
 - Seniors may lose their reserved parking privileges for all of the above and the following;
 - Committing an offense that results in an "Out of School" suspension.

Note: No parking fees will be refunded. **Spring Valley HS will not be responsible for any theft of the vehicle or it's contents or any damage to the vehicle or it's contents while on campus.**

12. Disciplinary action will be taken for smoking in vehicles, loitering in and around vehicles and parking lots, loud or offensive music, and violation of any school rules.

By reading the form, I certify that I have read and agree to the rules above. I understand that my failure to comply with all rules pertaining to traffic and parking at Spring Valley High School may result in disciplinary action, loss of parking privileges, booting of the vehicle and/or towing. In such cases the parking fee will not be refunded.
