

Teachers,
The instructions for students and teachers to gain access to the GCSD ebook and audiobook library are written below. These instructions are also in the “Catalog and More” tab on our Media Center website.

To access SORA from your school chromebook.

Students and Teachers.

For chromebooks and laptops: Go to the [Media Center webpage](#) (at the top of the EHS homepage click “Students” then “Media Center”) and click on the Sora App Icon on the banner in the center of our main page.

If you have not logged into Sora before, you will be asked to sign-in. Use the following directions:

- **Select** “All Greenville County School Users” from the dropdown menu.
- **Click on** “Sign in using All Greenville County School Users”
- **Click on:** “Log-in with Active Directory”
- **Enter:** district username and password. **Click:** Sign in.

When prompted, click “**Add shortcut.**”

Then click “**Install.**”

This will put a Sora icon on the laptop. Users will remain signed in on the device and will not need to repeat the steps above.

Students and teachers can also have the SORA app on their phone or other mobile device. This is great for listening to audiobooks!
