

Discover the 15 Best Online Sporting Goods Stores

Family shopping some sporting goods.

The online sporting goods industry is a multi-billion dollar business. The industry, however, is seeing a major shift among consumers' purchasing habit. Sporting goods retail stores have grown 40 percent over 2011-2016 while the online sporting goods stores grew a whopping 159 percent.

This means a decrease in store traffic, especially as people become more dependent and confident in online shopping. Sportswear companies are also investing in their presence online. Nike, for example, has a Nike+ mobile app while Under Armour has its retail mobile app, UA shop, which recommends products based on data harvested from the brand's connected fitness apps.
