

Press Release Bad Axe Man Loses Life in ATV Crash 7-7-24

Yesterday evening (6th) at 19:00, deputies from our office and other emergency personnel responded to the intersection of Lackie Road and Soper Road, in Colfax Township. There a 68 year old man from Bad Axe had been found to be an apparent victim of an ATV crash. Preliminary investigation is indicating he turned onto Lackie Road and may have done so too fast. He was ejected from the machine and it appears the 96 Yamaha then overturned at least two times before landing on him. The victim, Randy S. Haley of Bad Axe, was pronounced dead from injuries he had received. The scene was processed by one of our accident investigators, and follow up into this incident will continue. An autopsy also will occur in the near future.

Other agencies assisting at the scene were the Bad Axe Fire Department, the Bad Axe Police, Central Huron Ambulance Service, a conservation officer from the DNR, and an investigator from the Huron County Medical Examiner's Office.

Kelly J. Hanson
Huron County Sheriff
