

HOW TO RESPOND TO A GRID

You need a microsoft or gmail account in order to respond to a grid.

1. Copy and paste the link of the grid on your browser: **<https://flipgrid.com/251ffd27>**
2. Fill in the password that your teacher shared with you: **tsbl61tsbl**
3. When you are inside the site, find the big “+” icon.
4. Fill in your microsoft or gmail account details (your username and password). Then you have to allow flipgrid tool to use your camera.
5. When you have allowed the tool to use your camera, find the red “O” icon. Click on the red “O” icon when you are ready and start recording. You can alternatively upload a video from your computer.
