Hi [First Name],

My friend, Jeanne Kolenda, has figured out an important link between her beloved social media activity and the power it has to boost rankings. She's pretty much steered clear of anything to do with SEO for many years...UNTIL...she almost accidentally discovered the link between the two.

After spending months testing and proving this, she's laid it all out and you're going to be blown away! But she doesn't want to take all the credit...she worked alongside of some SEO friends to help prove what she began to suspect all along.

Here's why you can't afford to miss out:

- **In-depth Social Media Overview Manual:** Understand how social media impacts SEO and why it's crucial for your strategy.
- **60 Editable images (and comment sheets) about SEO.** Boost engagement for your own Agency.
- **60 Editable images (and comment sheets) about Social Posting:**
