Dear staff and families:

The security and safety of students and staff remain one of our highest priorities.

This morning (4/22/2022) in collaboration with the police, a comprehensive physical and visual search of our buildings and buses was conducted in response to the threat we received last evening. Here is a [link](#) to the communication sent to staff and families last night. The search did not find anything that would pose a threat to our students or staff.

A decision on the spring play, scheduled for tonight and Saturday, has not yet been made. Classes will resume on Monday.

Please know that the police investigation into the threat is still open and ongoing so we will not provide any additional details on the situation so as not to interfere with the investigation.

We appreciate your patience and understanding.

All the best,

John M. Bute, Ed.D.
Superintendent
