N'Ferno believes uniforms foster a more structured and disciplined class environment, promoting a more positive classroom atmosphere. It is also exceedingly important for our teachers to adequately see their students' bodies to encourage and aid in developing proper body alignment, correct muscular development, and help prevent injuries. **The dress code (both hair & attire) will be STRICTLY enforced throughout the dance season.**

N'Ferno strives to produce dancers that have a sense of discipline and focus. This means we **MUST** professionally present ourselves, starting with our dancer's appearance. Attending class adequately dressed and looking professional dictates your dancer's classroom experience, creating a level of respect for themselves and the instructor.

Underpants will not be allowed under tights and leotard in Ballet and Modern Pre-Teens/Teens Advance Beginner, Intermediate & Advanced, and Jumps & Turns Classes. *Flesh-toned colored high-cut underwear or Flesh-toned colored camisole leotards are permitted under tights and leotards.* These items are the **ONLY** exception and alternatives we are allowing in class. They are available in all dancewear shops and catalogs.

Please remember that “Tights are a dancer's underwear,” it is beneficial for all dancers to become familiar with this aspect of a dancer's education as early as possible. Suppose we see colorful, patterned, printed underwear, boy shorts, or things of that nature poking out of your child's leotard during class. In that case, your child will be asked to leave class to adjust their undergarments to follow the undergarment rule by not exposing their undergarments. If your child cannot make those adjustments during class, they will be dismissed for the day for not being adequately prepared for class. **IMPORTANT!** If your child continues to attend class unprepared, they will be dismissed automatically until they return appropriately dressed for class and will be entirely dismissed for the day.
