Responsibilities:

- Assist LINC Transformation Managers with LINCspring support and training for state, district and school partners
- Manage school accounts & follow-up within the LINCspring platform
- Regularly review data and correspond with school leaders about progress & recommendations
- Provide virtual coaching & support to teachers through the LINCspring messaging features
- Complete monthly needs assessments based on teacher feedback and create/deliver corresponding LINCspring Live! online workshops

Desired Skills and Experience:

- Three plus (3+) years of teaching or relevant experience preferred
- Experience with blended learning, instructional design, and/or adult learning
- Knowledge of digital learning platforms and best practices in blended and personalized learning
- Participation in ongoing, connected professional learning

Benefits:

- Hourly rate begins in the \$28+/hour range and increases based on experience
- LINC offers medical, dental, vision, and other insurance benefits, a 401(k) retirement plan, transit, medical spending and dependent care benefits for full-time employees
- Remote position with some yearly travel
- Up to 15 days PTO along with additional company holidays for full-time employees
- Gain relevant experience with one of the world's fastest-growing education technology companies
- Join a fun and high-performing team that is passionate about our work
- Experience work at a fast-paced company with an awesome social mission
