Overture

📺 Elton John - Tiny Dancer (Official Music Video)

That was the past.
Pre-apocalyptic it seemed.
The rest is the future.

The Story

She
Comes a little closer.
Funny,
Little Shakira
is only 5'4".
She doesn't need a mask.
Just a little makeup,
Just herself,
Alive.

Shakira - Hips Don't Lie (Official 4K Video) ft. Wyclef Jean

Version 10 Live
Can you imagine?
Close.
Lips.
They are wet.
Shiny.
You move closer
You close your eyes
And,
You breathe
And then you,
Kiss.

📺 Britney Spears - And Then We Kiss (Official Video)

Britney is only 5'4",
So bend over a little,
Feel the curve of her back,
Her body,
Pressed against you.
Then your
Lips part,
And,
She smiles,
Caresses the hair at the side,
Of your face.

📺 Britney Spears - Touch of My Hand (Live in Miami)

You look in her,
Eyes,
They are soft,
Watery,
Shining,
She looks in yours,
You feel her hand,
On the small,
Of your back,
The tiny dancer.

Version 10 Live

Her hand now caressing
The side of your face,
The touch of her hand,
You look,
In her eyes,
They are dark,
Mysterious,
You love her,
Even if it is for that moment,
An eternity,
What is past?
What is the present?
The future yet to be,
Your lips meet again
In a kiss.

📺 Britney Spears - Trip To Your Heart (Music Video)

She pulls you,
Closer,
You feel,
Her heart beat,
She breathes,
You are both alive,
So wonderful
Your lips still,
On hers.

📺 Britney Spears - Drop Dead Beautiful Ft.Sabi 1080P
Version 11 Live

Lips parting again,
She looks at yours and,
Her lips slightly,
Parted she wets them,
With her,
Tongue,
You think,
Shakira means,
Beautiful woman,
You whisper,
Shakira,
She kisses you again.

📺 Britney Spears - Seal It With A Kiss (Fantasy Twist Music Video)

She abruptly,
Pulls away from you,
"You know I have to go,"
She can't stay,
She starts to walk away,
You look at her walk,
And think,
Drop dead,
She turns and asks,
"Why don't you
Meet me later?
You know where."
She leaves,

Dancing.

 Elton John, Britney Spears - Hold Me Closer (Official Video)

Version 10 Live

Now it's later,
And when she gets home,
There's a postcard,
In her door jam,
And a note,
Meet me at the diner,
On the corner,
You know the place you go,
In the morning

And then we'll go dancing.

 Giorgio Moroder - Tom's Diner ft. Britney Spears (Official Audio)

Version 10 Live

She opens the door,
And steps inside,
She takes her clothes off
And goes to get ready,
For the night ahead,
It will be so exciting.
Then she's ready,
And she imagines fantasies,
In her head,

📺 Shakira - Me Enamoré (Official Video)

They meet,
Have a quick coffee,
Then head over to,
The dance club,
She, a little nervous.
Feeling a little young,
All those people there,
And them dancing,
Close.

Bodies gyrating,
To the beat,

Really ready for this?

Dancing almost non-stop,
Late into the night,
She likes the way he looks,
And she wonders,
What move she,
Should make,
Or, not?

Get started,
It was over.
They walked each other,
To the corner,
Where they had met
By the Cafe',
Tom's
And then they kissed.
Under the streetlamp.

▶ Britney Spears - And Then We Kiss (BL's Extended Mix)

Goodnight,
She watched him
Walk away,
Then turned herself
And walked home.
Alone she unlocked her door,
Undressed and went to bed,
She left her makeup on,
And dreamed.
