Dear Community Member,

Simmons Elementary is hosting our fourteenth annual "RUN for DC" 5K race this year. This fundraiser will benefit our Annual 5th Grade Field Trip to Washington, DC in the spring. For our students, this field trip is an educational experience of a lifetime; one that they'll not soon forget. Only with the continued support of our community is this trip possible.

We're inviting businesses and individuals in our community to participate in this educational opportunity. You can help to lessen the cost of the trip for our students by becoming a sponsor for our race. There are multiple levels of sponsorship listed below. The staff and families of Simmons Elementary cannot thank you enough for your support! Because of generous sponsorships from community members such as yourself, Simmons Elementary has had the opportunity to take hundreds of students to Washington, D.C. for an educational learning experience of a lifetime. 2025 will be the FIFTEENTH year students have traveled to the Nation's Capital (we had to miss a few because of Covid) and the FOURTEENTH year of our SK Run! You are a huge part of enriching the learning experience for our students. You are appreciated.
