 - Do you think it would be good for the game to change all the standard set class legends each rotation? I.e. Archmage Antonidas can go to the hall of fame for a cycle and be replaced with Rhonin.
- Jason R.
 - I'm sure you talked about this at some point... but have you ever noticed that when you drop from rank X to rank x-1, you lose an extra star? For example, if you are Rank nine zero stars, and you lose, you drop to rank eight with four stars.... when you should be rank five with five stars? Does this seem right to you or am I crazy?
