

## How-to Guide: University of Alberta Faculty of Pharmacy Library Resources

Links to important pharmacy information resources have been compiled and listed here:

<http://guides.library.ualberta.ca/pharmacy>

The screenshot shows the University of Alberta Library website. The top navigation bar includes links for Library Services, Subject Guides, Hours & Locations, About the Library, My Account, and Ask Us. The main content area is titled "Pharmacy and Pharmaceutical Sciences" and features a search bar, a sidebar with navigation links (Home, Ebooks, Citation Help, Mobile Apps, RefWorks, Online Dictionaries, Pharmacy Resources & Patient Info, Key Journals), and several resource sections: "Article Databases ie. Non-Preappraised Research" (listing PubMed, MEDLINE, Scopus, EMBASE, Web of Science, SciFinder, CINAHL, PsycINFO, and Google Scholar), "Drug Information", "Search Across the Hierarchy of Evidence" (listing TRIP Pro and ACCESSSS Federated Search), and "Summaries & Guidelines" (listing DynaMed and ClinicalKey).

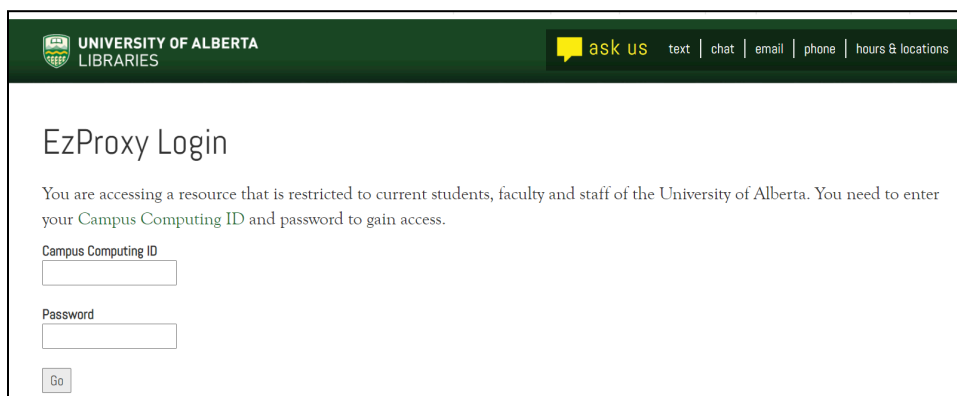

You may find it useful to bookmark the page so you can come back to it quickly.

Here are instructions for different browsers:

- [For Chrome](#)
- [For Firefox](#)
- [For Safari](#)
- [For Microsoft Edge](#)

When on the library guide for pharmacy, click on the name of the resource you would like to use. You may be prompted to enter your CCID and password.

Log in with your CCID username and password:

The screenshot shows the EzProxy Login page. The header includes the University of Alberta Libraries logo and navigation links for "ask us" (text, chat, email, phone, hours & locations). The main content area is titled "EzProxy Login" and contains the following text: "You are accessing a resource that is restricted to current students, faculty and staff of the University of Alberta. You need to enter your Campus Computing ID and password to gain access." Below this text are two input fields: "Campus Computing ID" and "Password", followed by a "Go" button.

If you do not yet have a CCID and password, please [complete the Preceptor Library Access Form on this page](#). If you have concerns, please contact Experiential Education at [phexed@ualberta.ca](mailto:phexed@ualberta.ca).

If you have forgotten your CCID or password, please refer to the Information Services & Technology (IST) [website for more information](#). To find out more about CCIDs or to change your password, visit this page: <https://myccid.ualberta.ca/change>

## **Instructions on How to use the Resources:**

### **Drug Information**

- [UpToDate LexiDrug](#) - comprehensive drug information including monographs, interactions checker, and information for special populations.
- [CPS](#) - online access to the CPS and Therapeutic Choices.

### **Evidence-Based Practice Resources**

- [DynaMed](#) - evidence-based summaries of diseases and drugs.

### **Natural Products**

- [NatMed Pro](#) (formerly called Natural Medicines) - resource on dietary supplements, natural medicines, and complementary alternative and integrative therapies.

### **Article Databases**

- [PubMed](#) - database for identifying journal article literature (access to UofA e-journal subscriptions).
- [MEDLINE](#) (via Ovid) - includes PubMed content but designed for comprehensive literature searching (advanced searching)
- [Embase](#) - "European equivalent to PubMed." Includes European content not found in PubMed with a speciality to drug literature.

If you have questions about how to use other library resources, please contact the Pharmacy Librarian, Janice Kung, at [janice.kung@ualberta.ca](mailto:janice.kung@ualberta.ca).
