

HIGHLAND PARK TRACK & FIELD

2022 HONOR ROLL GIRLS

Notes

- 1) The honor roll is a work in progress. We are still researching past results.
- 2) Hand times are recorded in tenths. FAT (fully automatic timing) in hundredths. For ranking, add .24 to hand times to compare to FAT times (standard conversion factor used by the track & field rules committee of the NFHS (National Federation of State High School Associations)).
- 3) The NFHS accepts only FAT times for records. At Highland Park, we recognize hand times for the honor roll and school records for
 - a) All distances 400M and greater.
 - b) All times prior to 2000
 - c) Exceptional hand times are noted with an * in the honor roll lists.
- 4) MSHSL switched from 2 classes (A & AA) to 3 classes (A, AA, & AAA) in 2022. HP remained in class AA.
