I. Open the brackets using the verbs in the correct form (20 points)

"I think your aunt 1) _____ has forgiven _____ (forgive) me, at last," her father said.

Rachel 2) _____ looked _____ (look) first at the signature. It seemed strange 3) _____ to see _____ (see) her own name there. It was as if her individuality, her very identity, 4) _____ was

impugned _____ (*impugn*) by the fact that there should be two Rachel Deanes. Moreover there was a likeness between her aunt's autograph and her own, a characteristic turn in the looping of the letters, a hint of the same decisiveness and precision. If Rachel 5) _____ *had been educated* _____ (*educate*) fifty years earlier, she 6) _____ *would have written* _____ (*write*) her name in just that manner.

"You 7) _____ *are* _____ (*be*) very like her in some ways," her father said, as she still stared at the signature.

He said the same things so often, and in so precisely the same tone, that she 8) _____ *had formed* _____ (*form*) a habit of automatically 9) _____ *rejecting* _____ (*reject*) the truth of certain of his statements. He was over fifty when she was born, and ever since she could remember she 10) _____ *had doubted* _____ (*doubt*) the correctness of his information. She was "a born sceptic; an ultra-modern." Yet, as always, she was gentle in her answer. She 11) _____ *condescended* _____ (*condescend*) from the heights of her youth and vigour to pity him.

"I should think you must 12) _____ *have forgotten* _____ (*forget*) what Aunt Rachel was like, dear," she said. "How many years is it since you 13) _____ *saw* _____ (*see*) her last?"

"More than forty; more than forty," her father said. "We disagreed, we invariably disagreed. Rachel 14) _____ *prided* _____ (*pride*) herself on being so modern. She read Huxley and Darwin and things like that.

Rachel straightened her shoulders and lifted her head; there was disdain in her face, but none in her voice as she replied:

"And so it seems that she wants to see me."

She was excited at the thought of meeting this traditional, this almost mythical aunt whom she 15) _____ *had heard* _____ (*hear*) a lot about. But this letter of hers that now 16) _____ *lay / was lying* _____ (*lie*) on the breakfast table was admirable in character. There was something of condescension and intolerance 17) _____ *expressed* _____ (*express*) in the very restraint of its tone. She 18) _____ *had written* _____ (*write*) a kindly letter, but the kindness had an air of pity. It was all consistent enough with what her father 19) _____ *had told* _____ (*tell*) her. She imagined how she 20) _____ *would meet* _____ (*meet*) that mysterious aunt.

II. Insert articles or prepositions. Put '-' if you think there should be none (20 points)

Every year my family and I go to watch 21) the Australian Open in Melbourne. So, 22) - last year we watched 23) the women's semi-final match between Steffi and Serena.

It was 24) an exciting and extra special match for 25) the family because my brother Daniel was 26) a ball boy. Mum bought him 27) - new sneakers especially for 28) the match. And, 29) the stadium that day was packed. We watched 30) - Daniel excitedly as he waited beside 31) the umpire on the tennis court, ready to scoop 32) up tennis balls.

Serena had 33) the first serve. She positioned herself at the baseline and took 34) a deep breath in. She tossed 35) the tennis ball up into the air and hit it 36) with her tennis racket. Unfortunately 37) for Steffi, the line judge called the ball out.

The game continued, but Serena's luck ran 38) out. Steffi was 39) a strong opponent 40) with a good backhand.
