Super Bowl of Sound Marching Contest

Alternate Severe Weather Plan (IF NEEDED)

In the case of prolonged, severe weather on Saturday, October 3, 2026, the 44th Annual Super Bowl of Sound Marching Contest will move inside Central-Carroll High School. Performances would be for **COMMENTS/RATINGS ONLY** and all bands/aux groups will receive participation trophies.

The decision to move the contest inside will be made by the Super Bowl of Sound Executive Committee and only if it is absolutely necessary to do so.

Registration would be held under the 3 Story Building Canopy

Dressing Rooms would be located in Central High School 3 Story Building Restrooms.

Holding Areas before warm up would be held in the Central High School Atrium and ROTC rooms. The Holding Area before the performance would be in the Gym Multi Purpose Room.

Warm-up would be held in the Central High School Band Room.

Performances would be held in the Central High School Gymnasium.

Hospitality Room would be located in the Central High School Champions Suite

Buses and Equipment Trucks would unload in front campus drive of Central High School and then park in the lots adjacent to stadium.

Other notes:

*Please be aware this plan will be used only if there is prolonged severe weather or very heavy rain.

*As always, Super Bowl of Sound Guides will assist with each group during your stay.

* Maps will be made available if the event is moved inside.

*Awards ceremony would take place at the end of the event in the gymnasium.

*Every effort will be made to hold the event outside. Expect delays in the schedule if there are weather problems.

*If only part of the event is moved inside, then only those performances would be for ratings/comments only and the outside events would still be in the competitive format, with the exception of overall placement/champion awards.

Weather Delay Levels
Level 1 – Light Rain=Show Goes On
Level 2 – Heavy Rain and/or Lightening for Short Period of Time
Level 3 – Heavy Rain and/or Lightening for Prolonged Period of Time
