New Challenge Given to the St. Anthony Community!

Knowing that the last \$300,000 is always the hardest to raise in a Capital Campaign, a VERY generous donor has stepped forward and challenged the St. Anthony Community to reach the finish line! **If the community can secure new pledges and gifts totalling, \$200,000 by 5:00 pm on Tuesday, November 28th, we will unlock the remaining \$100,000 to complete our almost \$13 million Campaign!** This project benefits our entire community! Please [GIVE](#) today! If you would like to know more, please contact Andy Nichols at anichols@satigard.org

Sponsor the Gymnasium!

Join [Oregon Pacific Bank](#) in Sponsoring our Gymnasium. For only **\$2,500**, your company will be featured on a banner in our Gym for an entire year, plus your company logo will appear in all future Newsletters and also on our School Website. Thank you to Oregon Pacific Bank for partnering with us and supporting our New School Project!

Do you know about Qualified Charitable Distributions?

- Do you know someone **who is 70 1/2 or older? Maybe it is you?**
- A donor may transfer up to \$100,000 a year even if their **Required Minimum Distribution (RMD)** is less than this amount. **(If filing taxes jointly, a spouse can also transfer up to \$100,000, making the total \$200,000.)** The amount in excess of the RMD is not treated any differently for tax purposes (it does not count as income and you do not take an itemized deduction for the amounts)
- [CLICK HERE](#) to learn how this can benefit the donor **AND** St. Anthony!

Start Planning for **GIVING TUESDAY**, November 28th!

We have heard from people saying they are waiting for **GIVING TUESDAY** to give, since their company does a special match that day. An example is NIKE, They do a 2 for 1 match on their employee's donation for the day. Maybe a company **YOU** work for does the same thing?!? If you are not sure if your company has a matching program, please [CLICK HERE](#) to see. If you know your company has a matching program, but you do not see it on the list, please let Andy Nichols in our Development Office know, and he will update the list. A matching program can be very beneficial to St. Anthony. This is "free" money that can get us so much closer to our goal. **(Side Note: Our Challenge Expires at 5:00 pm this day.)**
