Cost Factors Table

MARKHAM HEATING & AIR CONDITIONING SYSTEMS

— SINCE 1983 —

Factor	Impact
Type of repair	Affects total cost
Furnace age	Older systems cost more
Parts required	Replacement parts vary
Emergency service	After-hours fees may apply

Frequently Asked Questions

Do you offer emergency heating repair in Markham?

Yes. We provide **emergency heating repair Markham** services for unexpected breakdowns and system failures. Our team responds quickly to restore comfort and ensure safe operation of your heating system.

How fast can a technician arrive near Denison St?

Response times depend on current demand, but we prioritize urgent requests near Denison St whenever possible. In many cases, we can arrange **same-day HVAC service Markham** for fast support.

Do you provide upfront pricing?

MARKHAM HEATING & AIR CONDITIONING SYSTEMS

SINCE 1983

Yes. We offer clear, upfront pricing before any work begins. This ensures transparency and helps customers make informed decisions without hidden costs.

What furnace brands do you service?

We service most major furnace brands, including both standard and high-efficiency models. Our technicians are trained to diagnose and repair a wide range of heating systems.

Is yearly maintenance necessary?

Yes. Annual maintenance is strongly recommended to keep your system running efficiently and safely. Regular servicing helps prevent breakdowns and supports better long-term performance.

Can I book same-day HVAC service?

Yes. We offer **same-day HVAC service Markham** depending on technician availability. This is especially helpful for urgent heating or cooling issues.

Are your technicians licensed?

Yes. All our technicians are fully trained and licensed to perform HVAC work according to Ontario standards and safety regulations.

Do you handle residential heating only?

No. We provide both residential and commercial HVAC services, including heating, cooling, installation, and maintenance for a wide range of property types.
