### PLEASE NOTE:

- ❖ **All supplies, with the exception of the printer paper, are for student's personal use. While the quantities indicated tend to be the amount used over the course of a school year resupply may be necessary depending on student use. At least some of each of the supplies should be at school and ready for use on the first day of school.**
- ❖ **In order to ease the transition to middle school/introduce a system for organization, all 6<sup>th</sup> graders will be given a paper planner at the beginning of the school year. Paper planners have also been ordered for 2021-2022 7th and 8th graders who indicated that they would like to continue with this system. Other 7th and 8th graders can select an organizational alternative (such as an electronic system) as long as they have a well thought out system in place. Each student will be supported by their Advisor.**
