

CROWLEY- EARTH AND SPACE SCIENCES 2026-27 COURSE OUTLINE

GOOGLE CLASSROOM CODE

Class Routines and Expectations:

- A. Please be on time, prepared to work and on task when the bell rings!
- B. No cell phones, headphones, earbuds, smart watches, smart glasses or any electronic communication devices are allowed in class.
- C. Bring your school issued Chromebook everyday and make sure it is charged. No personal devices allowed.
- D. Do not take out your Chromebook unless instructed to do so.
- E. Do not touch any lab materials, windows, blinds, or other classroom equipment unless instructed to do so.
- F. Be courteous and respectful to your teachers and fellow students.
- G. Remain in your seat unless instructed otherwise. Do not get up during a lesson for non-emergency (throw something out, sharpening a pencil, get a tissue, etc)
- H. Get involved in discussion with your classmates and teacher during the lesson and lab and demonstrate a commitment to producing high-quality work.
- I. Raise your hand if you have a question or would like to contribute to the lesson. Calling out is unacceptable.
- J. Clean up after yourself.
- K. Do not bring food into the classroom. This is an allergy-free classroom.

Supplies

- A. Pens and Pencils
- B. Folder (or binder) with papers (labs, notes, reference tables) given by teacher
- C. Charged school issued Chromebook

Notes

Digital and/or hardcopy slides/notes will be given for the lesson. It is your responsibility to keep slides/notes organized. Slides/notes will help you prepare for tests, quizzes and homework.

Grading and Homework Policy:

- 1. Tests/Quizzes/Projects → 60%
- 2. Labs & Graded Classwork → 20%
- 3. Homework → 10%
- 4. Class Participation → 10%

Units of Study:

Introduction to Earth and Space Sciences, Space Systems, History of the Earth, Earth Systems, Weather and Climate, Human Sustainability, Engineering Design

Assessment Information:

Your assessment is based on the following:

- tests, quizzes, current events and projects
- homework, class and lab work
- class participation/behavior

All unit/chapter tests will be announced.

Surprise quizzes will be given and usually come directly from the notes/handouts and homework

Midterm Exam - January 2027

Regents Exam – June 2027

Successful completion of this course requires the passing of the New York State Earth and Space Sciences Regents Exam in June.

Inappropriate behavior will result in a referral as well as points deducted from your class participation grade.

Labs

A. The New York State Board of Regents requires that all students taking Earth and Space Sciences complete mandatory labs and 1200 minutes of lab work in order to be eligible to take the Earth Science Regent Exam in June.

B. All labs must be complete and handed in for grading.. Lab folders will remain in my possession.

C. If you are absent on the day of a lab, it is your responsibility to make-up that lab immediately.

D. Follow the lab safety contract!

E. Ten points are deducted per day for late labs.

F. You cannot pass this class without doing the labs!!!

Homework

A. Homework assignments include completing assignments on Google Classroom, lab questions, workbook questions, online assignments, projects and current events.

B. Homework will be checked and counted as part of your grade.

C. Homework is given minimum of 2x/week

D. Students are expected to complete work by the given due date. Homework not received by the provided due date will receive a deduction in credit.
