

Past/current experiences working in the field of disabilities:

- Participated in an Art ACEs class collaborating with high school students with disabilities to create art
- Volunteered for Special Olympics
- Shadowed a Pediatric PT

Goals for your LEND training experience:

- Grow as a leader
- Learn from trainees of all different backgrounds
- Understand policies related to individuals with disabilities and how to enact positive systematic change
- Practice family-centered care

What you wish to contribute, in the future, as a professional/family member in the field:

- Help my patients regain their self-confidence and independence by helping them improve their strength and mobility on an individual level
- Advocate for positive change and overall health and wellness on a larger scale
