From: Laura To: Sue

Hi Sue

We're having an amazing time in sunny California! It never rains here. In the summer it's hot and sunny every day. Yesterday we went to the beach. We swam in the sea in the morning and then, in the afternoon, it was really windy so we went windsurfing.

Tomorrow, we're going to Yosemite National Park. We're going to stay in a tent. I love camping, especially when it isn't raining. We're going to go walking, cycling and rock climbing.

There are lots of waterfalls in Yosemite and I can't wait to see Yosemite Falls. They are 739 metres high. We're also going to see the giant sequoia trees. One of the trees, the Grizzly Giant, is 64 metres high and between two and three thousand years old.

Did you know there are bears in Yosemite? They are always hungry so you mustn't leave any food in your tent or car. You don't want a visit from a dangerous bear in the night!

Hope you're having a good summer.

Love, Laura
