Section 2 Reflection

The following tasks and documents must be included and must be used as evidence for this reflection:

Artifacts	Yes / No
This reflection sheet completed	
1-2 pieces of evidence for Understanding (notes, assignments, plans, etc)	
1-2 pieces of evidence for Contribution (tickets, to do list, task manager)	
1 pg Summary 1st Moving Tiles	

Understanding: How did your understanding develop? What did you learn about or how to do?

X	✓	✓+	
			I can describe safe use of all of the powered tools in the shop (that we used this section)
			I can explain how to create gears on the CNC machine
			I can calculate the needed gear ratio to convert 15rpm input to 0.5rpm output
			I can deconstruct my sculpture and figure out why it isn't working
			I can design and modify a gear train in Easel

Understanding (Evidence): *2 Celebrations, 1 Area for Growth. Reference evidence where appropriate*

Contribution: How did you impact your group and the class?

X	✓	✓+	
			I reminded others of safe practices when using tools
			I completed my daily cleaning task without being reminded
			During coffee talk and notes, I participated and engaged in the conversation
			I finished my part of the project
			I kept a list to make sure I stayed on task and didn't let my partner down

Contribution (Evidence): *2 Celebrations, 1 Area for Growth, Reference evidence where appropriate.*

Presence: To what degree was I present and active for this section of the project?

Days in Section (total)		# Late Assignments	
# On time tasks/assignments		# Unexcused Absences (UA)	
		# Unexcused Tardies (UT)	

1 Highlight and 1 Growth Area for presence:

Past Goals

You wrote goals for yourself in the last section, how did you do with those goals?

Theme for Next Section

Rather than setting a new goal, choose and write a personal “theme” for the next section. For example, your theme might be Timeliness, Fun, Discipline, Cleanliness, Flexibility, etc. Explain why you want that to be the theme of your next section.

✓+	“Check plus” shows more than simply fulfilling requirements, but active contribution/knowledge. Yes, always
✓	“Check” shows completion, checking boxes. Yes, usually
X	“Ex” shows something not done, finished or complete. This is no, or never.

Grade Proposal *(you may add plus or minus to a letter grade if you wish)*

A	All artifacts complete, some ✓+, all on time assignments, no UA/UT
B	All artifacts complete, few ✓+, all on time assignments, few UA/UT
C	All artifacts complete, no ✓+, mostly on time assignments, some UA/UT
D	Reflection complete, many artifacts complete, more on time assignments than late assignments,
F	Reflection submitted, more assignments late than on time,
