- Alana shanahan didn’t have sustainability points very much
- Julian Goresko director of sustainability
- Chair is now William Cho
    - He will be taking Claire’s spot in the task force
- Reach out to Lana, so student center committee and lana will go to the architects on thursday and ask questions, make sure they get back to us on that
    - We could also just email them questions
- At GBM, ask senate if they have any questions, relay those questions to the architects, get responses from them
    - Reach out to alana
        - Have her relay our questions to the architects
-
