

Personal, Social and Health Education: Sixth Form Mrs A Brown

Purpose

To ensure all students in the Sixth Form have had access to and have had an opportunity to participate in a comprehensive PSHE course.

The Course

In this ten-week course, students will participate in active discussion on the following topics:

- Mental health
- Identity
- Independent thinking
- Friendship
- Alcohol use and abuse
- Responsibility
- Contraception
- Consent
- Rape

In addition to these themes, students are free to introduce other related topics of their own choosing in a safe environment. Students are not obliged to comment and are reminded to seek support from any member of staff with whom they feel comfortable should they need it.

As well as this, all Sixth Formers attend regular talks and lectures on further subjects from cyber bullying and radicalisation to transplantation.
