

HPSS Personal Professional Learning Plan 2015 **Please make a copy**

To be completed by Teacher and SLT Appraiser and a signed hard copy handed to Claire by Friday 4th December 2015

This year you will be constructing three personal professional learning goals based around our principles:

Innovate through personalising learning
Personalising learning by meeting the needs of diverse learners e.g. <ul style="list-style-type: none">• Differentiation• Universal Design for Learning• Self directed learning• Blended learning• Culturally Responsive Pedagogy
Engage through powerful partnerships
Evidence of powerful partnerships being developed e.g. <ul style="list-style-type: none">• Strong teacher and student and whanau learning relationships• Appropriate and responsive co or team teaching strategies• Opportunities to connect with their wider community• Critical friendship - observation and feedback• Open to learning conversations• Restorative Practice (being a warm and demanding hub coach)
Inspire through deep challenge and inquiry
Evidence of students being inspired through deep challenge and inquiry e.g. <ul style="list-style-type: none">• Students being supported, challenged and extended in their learning• Use of SOLO• Use of Learning Design Model / Inquiry Learning• Learning area expertise / literacy and numeracy across curriculum

My Personal Professional Learning Goals (linked to school principles)	What will success of this goal look like?	What support / strategies do I need to meet this goal?
Innovate through personalising learning		
Engage through powerful partnerships		-
Inspire through deep challenge and inquiry		

Action Plan - feel free to adapt this to suit you!

Dates	Goal	Actions	Reflections
