

How to attach Canva Assignment to Google Classroom.

1. Hit the Share button on the top right of Canva

2. Under the Share button, scroll down to “Download”

3. Under “Download”, please choose the following:
 - a. PDF Standard
4. Once you download the poster, it will save on your Chromebook. Once it downloads, I recommend clicking “Show in Folder”.
5. On the Google Classroom assignment, hit attach a file and upload your poster.
