## Press

Please report on this as “sex workers planning protests for September 1st.” Feel free to interview organizers about why they are planning it if you want to put something out before the 1st. You can contact the email above or look on social media.

However, PLEASE keep a LID on our single serving site and hashtag (not listed on this site, but we'll tell you about it) to use that hashtag in tweets and your headlines on September 1st.

*Please don't leak our hashtag and prevent us from trending.*

## Online

**Sign on now and share [SexWorkSignOn.com](https://SexWorkSignOn.com)! SHARE AS ACCEPTANCEMATTERS.ORG ON THE 1st!**

**Protest Time:** September 1st, 10am EST (But start posting materials now, [see the FAQ!](#))

**Location:** Everywhere! We'll be trying our hardest to make things trend on Twitter and TikTok, but no reason not to post information anywhere anyone can see it.

**Hashtags:** [See FAQ](#) for more info! Now use previous hashtags like #VisaVictims or #MasterCensors. On September 1st, use #AcceptanceMatters to promote the statement from LGBTQ Sex Workers - DO NOT USE IT BEFORE THEN OR IT MAY NOT TREND!

**Organizing Contacts:** [September1stBankingAction@gmail.com](mailto:September1stBankingAction@gmail.com),  
[Ashley@SWOPBehindBars.org](mailto:Ashley@SWOPBehindBars.org)

We need online volunteers to approve signees and monitor the hashtags! [See here for more info](#) and email us if you can help!
