

BSA Interpreter Strip Certification - *The purpose of the Interpreter Strip is to serve as an immediate, visual cue to others that a Scout is able to help others by performing as an interpreter, when needed, not to award fluency.*

The Boy Scout that gave you this form would like to be tested for his ability to interpret a language in his pursuit of an Interpreter Strip recognition. Please determine if the Scout passes the four requirements listed below. If he passes, please fill out your contact information, sign, and return to the Scout or email to info@bsa98.com

Thank you,

Scoutmaster Troop 98, Whitpain Township, PA (www.bsa98.com)

Language: _____

How the name of this language is written in the alphabet of the language itself: _____
