Dear Students and Families,

Welcome to seventh grade, the Upper Middle School and to Math 7 Integrated! I hope you had a relaxing summer, and are as excited as I am to begin the new school year! I look forward to getting to know each one of you and growing and learning together!

As noted above, we will use the **Big Ideas Math** textbook. We will supply textbooks for use in the classroom, but you will use an online version while you are at home. Each student will have individual access to the virtual textbook at the Big Ideas website [Big IdeasMath Textbook](#)

### **Expectations:**

Be prepared for class every day with the following materials:

- Charged Chromebook and wired earbuds
- Binder (may be shared with other subjects) 3 sections: HW, Notes, Assessments

### **Cell phones**

To ensure that students are able to concentrate on lessons within the classroom, and to follow UMS policy, all phones, wireless ear buds and cell phones will be kept off and in the lockers.
