STUDENT PRONOUNS FORM

We want to make sure that we are using the pronouns that students identify with. To this end, we have created a Google Form where students identify what pronoun they want used by HSFI staff. Here is the link to Student Pronouns Form: https://forms.gle/Lpiamuu4xbHndXb26

Please encourage your students to fill out the form. Everyone has the right to use the gender pronouns that match their personal identity.

If you go to your students listing page on the dashboard:

You can click the green button to download a spreadsheet with all your students including course, section, period, student HSFI email address, and pronouns as provided by students in the survey
